23/60, Rani Street, Big Bazaar, Trichy
Java Developer — Data Analyst

Summary

I am a B.Tech student in Artificial Intelligence and Data Science. I have experience in software development and data analytics. I know Java, Python, SQL, and Power BI. I like to create useful applications and solve real-world problems using data and programming.

Projects

- **Movie Rating Prediction System** – Built a predictive model using Python to estimate movie ratings based on features like genre and popularity.
- **Credit Card Fraud Detection** – Developed a machine learning model to detect fraudulent transactions using supervised learning techniques.
- **ATM System Application** – Created a console-based banking system using Java and Python with secure login and transaction handling.

Experience

T4TEQ Software Solution, Thillai Nagar   *Software Development Intern (2024)*
- Gained hands-on experience with Python.
- Expanded skills in tools such as Power BI and Excel.

CODSOFT   *Software Development Intern (2024)*
- Worked on projects including movie rating prediction, credit card fraud detection, and survival prediction.
- Implemented software logic in Python and integrated models into applications.

TECHNOHACKS   *Python Development Intern (2024)*
- Developed applications like ATM System, Calculator, and Random Password Generator using Python and Java.
- Applied object-oriented programming and modular concepts for clean design.

Technical Skills

Programming Languages: Java, Python, SQL, HTML, CSS
Tools & Platforms: Power BI, Excel, VS Code, Spyder, IDEs

Education

CARE College of Engineering, Trichy   *B.Tech - Artificial Intelligence and Data Science (2022–2026)*
CGPA: 8.00

CREA Children's Academy Matric Higher Secondary School, Nagamangalam   *Higher Secondary (2021–2022)*
Percentage: 76.5%

CREA Children's Academy Matric Higher Secondary School, Nagamangalam   *SSLC (2019–2020)*
Percentage: 61.4%

Certifications

- Python Development
- Basics of Microsoft Power BI
- Python for Data Analysis

Languages

Tamil, English, Saurashtra
